

New Remote Productions Inc. is seeking a pro-active, motivated, and experience Field PA to join our Production Team for an episode of MTVs MADE filming in the Storrs, CT area. This would begin on 9/13 and end around 10/24. A Field PA with prior reality television experience would be ideal. Below are the requirements for the position:

Must have valid driver's license and access to vehicle

Must have smart-phone with email access

Must have 1+ years of experience working in television, primarily in the field or in reality television

Experience shooting is a plus (we film on a SonyEXR1-experience with this model is helpful)

Available 7 days a week 24 hours a day. We will not have you work these hours however we need someone who is fully available and does not have any other time commitments. Because we are a reality show our schedule is not always set in stone and can be unpredictable

Needs to be responsible, motivated, pro-active, organized, eager, and willing to learn and assist our shooter.

Must be in the Storrs, CT during production.

Below are the job responsibilities:

Collecting, organizing, and labeling all guest releases for anyone captured on camera during production

Sending shipments of documents, footage, releases, etc. to NY Office

Keeping track of all receipts from purchases made in the field

Assisting Shooter Producer in any way he or she needs whether it's making runs, putting microphones on talent, shooting, etc.

Occasionally assisting in location clearances.

This is a great learning experience for anyone interested in exploring a career in television whether it be in the field or in an office. This provides great experience in all aspects of reality television: production management, creative-production, field work. Etc. We need to have someone on set who is responsible, pro-active, thorough in their work, motivated, and eager to learn.
